

ADS Early Career Network (ECN)

Workshop 2026

We invite all early career ADS members to be part of the ADS Early Career Network (ECN), an ADS initiative to support clinicians and scientists with an interest in diabetes.

The ADS ECN Subcommittee is excited to offer an **exclusive half-day workshop** to a limited number of ADS early career members attending the joint International Diabetes Federation Western Pacific Region (IDF-WPR) Congress, Australasian Diabetes Congress (ADC) and Metabolic Diseases 2026 on Tuesday, 18th August 2026. This workshop, which is designed and led by early career members with the support of senior facilitators, will focus on our four key pillars and offers a unique opportunity to network and shape the future of the ECN. The workshop will be held at the Melbourne Convention and Exhibition Centre and you are required to attend the IDF-WPR & ADC & Metabolic Diseases 2026 to register for the ADS ECN Workshop. Registration fee is \$88 (includes \$8 GST).
